

PharmaTimes
MARKETER
OF THE YEAR 2017

PharmaTimes
COMMUNICATIONS TEAM
OF THE YEAR 2017

Designed to both assess and reward the competencies and potential of pharma marketers, the PharmaTimes Marketer of the Year competition identifies and benchmarks marketing talent within pharma organisations.

Entry Process

Marketers and teams can register their entries or nominations online at www.pharmatimes.com/marketer. Entries are screened by the executive steering group and finalists are announced in September.

Finalists compete in real-life challenges devised and judged by senior marketing and healthcare leaders.

All finalists receive qualitative and quantitative feedback from the judges and a signed certificate of achievement. They will also be provided with a competency spidergram that benchmarks them against the other contestants.

Steering Group

The Marketer and Communications Team of the Year steering group and judging panel comprises both senior industry leaders and key stakeholders. This esteemed committee of professionals provides a vital role in helping PharmaTimes to design the competition so that its content accurately reflects the latest business thinking and the environment in which marketers are working.

Judging Day

Finalists will take part in category-specific, on-the-day case-study challenges, developed by an expert panel.

By including marketers' customers on the judging panel, we are able to ensure that PharmaTimes Marketer of the Year competition both identifies those individuals and teams who understand the needs of the customer, and rewards the best their field.

Awards Ceremony

All finalists will be invited to the high-profile awards ceremony, where their success will be celebrated alongside other industry leaders.

The ceremony, to be held on 9 November in central London, coincides with the presentation of the PharmaTimes Communications Team of the Year 2017.
